

CSR, Diversity & Modern Slavery Statement

At Fenwick & Partners we recognise and appreciate the unique value that all our partners, including employees, candidates and clients, bring to our business. It is top of our agenda to ensure our working environment consistently remains fair, equal and respectful in order to achieve our goals as one organisation.

Our Diversity and Inclusion strategy is collated with input from all members of the company. The strategy addresses ethnicity, gender, sexual orientation, disability, age, gender and flexibility of the modern workplace.

Our CSR strategy is something we feel is vital and is very much at the heart of our business. Fenwick & Partners' are proud to support a number of amazing local charities including Ealing Food Bank and Hounslow Animal Welfare Society. Ealing Food Bank provide three days' nutritionally balanced emergency food and support to local people who are referred to them in crisis. They are working to combat poverty and hunger across the UK. Hounslow Animal Welfare Society deal with hundreds, sometimes thousands of animals, many of these taken into their care for eventual rehoming.

We have a zero-tolerance policy regarding modern slavery and human trafficking within our business and are completely dedicated to preventing any acts breaching this.
